We Serve

Since 1917, whenever there has been a need at home or around the world, Lions members have helped. In Easton, Lions members have served the community for more than 85 years, since 1931.

WE SERVE – 1.4 million Lions and Leos focus on five service areas of diabetes, environment, hunger relief, pediatric cancer and vision, with the goal of serving 200 million people every year. The Global Service Framework complements all of the great ways clubs serve locally, and gives us opportunities to help meet the growing challenges facing our community and over 208 countries around the world. Lions tackle tough problems like the prevention of blindness, diabetes awareness, protecting the environment, working the food pantry, and aiding seniors and the disabled.

COMMUNITY LEADERS – Lions improve the quality of life in their local communities by building parks, (as our Yardley-Wood Rink), supporting local programs in schools, hospitals, community organizations, and charity events. We do this through fund-raising activities from which 100% of the proceeds are used for charitable purposes.

Now in its 31st year, the Holiday Festival in Easton Village is a tradition families look forward to. It's traditions like this that help bring our community together and make our town a great place to live! The Easton Lions Club is proud to be bringing this to you and are truly grateful to our faithful sponsors who continue to support this wonderful event each year. Please help them to help us by supporting these businesses and individuals you see at the Rockery and in this booklet, all year long. Be sure to thank them for being an integral part of our Easton community. Peace and God Bless, Patti Somers, President, Easton Lions Club

This 2017 Holiday Festival Book

is dedicated to the Memory of the late William P. Malong, Lion Bill became an Easton Lion in 2010. Bill was a native of Mission Hill, Boston who moved to Easton to raise his family. Bill worked in his family grocery store until he retired. Lee Williams recounts; "Bill was as sweet a fellow as one could meet. We enjoyed his company and help at the Thrift. He gave countless hours and brought with him his experience as a fine salesman. He and his wife Kat paid us a visit a couple of weeks ago. We reminisced about the fun days we had selling 'good used items'. We shall miss him".

Below these images is the slogan *"Education at it's best!"* in a cursive font. The center text reads "Creative World Children's Learning Centers" with a globe icon behind the word "World".
