This has certainly been a great Lion Year! As your President of the Easton Lions Club I am always very excited about new opportunities for the club. Last week I was taking a look at my old law school books and happened to find something very interesting. What is it you ask? Well.....while flipping thru one of these books I happened to stumble upon an interesting law and statute that could greatly impact our club!

From the Real Estate Code Book for dummies, Volume 16 sub-paragraph 201.33, article 6A. This law is in relation to "Thrift Stores" in towns belonging to local civic and non-profit organizations. The law allows "appropriate" retail space to "non-profit" organizations. Because of this law, we will be able to move our thrift store from the Grange to the Oak Ames Hall.

As a result I would like to proudly announce the Grand Opening of the "Easton Lions Club Thrift store-Oak Ames Branch"! Yes, we will soon be leaving our location on 138 and will be moving the "good stuff cheap" inventory to the Oak Ames Hall. Even more good news.....Ruthie our saleslady extraordinaire will once again be manning the upper most floor of the store. This floor will contain all items 5\$'s and below. For the cost of Zero dollars the Oaks Ames Hall will be turned over to the Easton Lions Club and will become a "Macy's" like operation.

Want more exciting news???.....renovations will be made and an elevator will be put in to transport all customers to each floor of "wonderful merchandise", and will be operated on a

regular basis by our very own Don Tuck who will help guide customers thru the new store to find what they are looking for. Well, I know this is a lot to take in but.....once again I am very excited about this opportunity. We will certainly keep you updated on the progress of this very special endeavor, "Going Up?" Easton Lions!

EASTON LIONS THRIFT STORE "OAK AMES BRANCH"

This Just In.....News Flash

Treasurer Marilyn Cyr informed the Board in March that escalating meal costs have pushed the Administrative account to the brink of insolvency. The reason, per our meal servers, is that many Lions are placing too much food on their plates at each meeting. Some are getting plates refilled multiple times and also stuffing rolls and plastic eating utensils into their pockets as they pass through the line.

The servers couldn't provide names of these scofflaws but did say one was a gentleman that speaks with a strange English-Spanish-Hebrew accent, another is a white-haired guy who looked like he just combed his hair with a butter roll along with a couple of odd-looking bald 'dudes'.

As a result, the Board has authorized your Dues Treasurer to collect a special dues charge at the April 10 meeting in order to keep the food coming. Members that don't pay the special assessment will be subject to full body frisking by our own Marilyn Henderson and Dr. Mudd (who is especially thorough) as they leave the meeting. Marilyn Cyr after viewing this photo said "no comment"!

Amos Keddem, First Lion in Space

Today the Easton Lions Club was proud to announce successful launch of the first Lions Club member into space. Amos Keddem a man always on a mission was launched into space today. The ultimate goal for Amos will be to land on the moon, and establish a new Lions Club base there. Unfortunately, there will be no other members joining him until the year 2016, but this fact does not phase Amos one bit.

With spread sheets and lap top in hand Amos entered the Space X rocket at 6AM E.S.T. today, destination...the moon. It was a green light launch of Amos K. into space as Amos could be heard yelling "yaaaahoooooooo" as the rocket roared into space.

President Kevin stated that "this is one large step for Lion kind, we have been hoping to send Amos to the moon for quite some time now!". Some other members of the club gave a loud shout out of "yippeeeee" as they watched on the Easton VFW HDTV. Amos will assume his regular club responsibilities and will once again be assisting with next year's auction from his moon base. God speed Mr. Amos!
