We started this year off with a bang. Kudos to the Leos, Tony Cabral, and Markie V who participated in the Journey for Sight Walk A Long; to Dr. Mudd and crew for the first annual Tony Volpe Bocce Tournament; to Steve Hoffman for running the NRT Fair; to Kevin Williams and Kevin Martin for the Golf Tourney and to Joan Lundgren and Bill Anderson for the First Annual Tom Hedrick Memorial Senior BBQ. What a great job!!!!

On Saturday October 19, Scarecrow Day will be held at Yardley Rink from 10:00-3:00 PM. Be sure and bring the kids and have a good day. Don't forget the Halloween Parade Sunday Oct 29th at 4:30 starting at the COA on Barrows and going thru and around Frothingham Park.

We are coming into our most active

fundraising season of the year with Holiday Festival on December 7-8 and then the 27th Annual Lions TV Auction Sunday February 9, 2014. Jon Morgan and the committee have already been meeting and things are well on the way. Nancy Sullivan has graciously agreed to chair the Auction again this year even though she is in the midst of moving. Ken Love and Dale Kerester have scheduled a preliminary meeting.

Remember the Rockery Cleanup is scheduled for November 9 @ 8:00 AM. Many hands make light work. So please come and help.

Because of Thanksgiving, we will only meet on November 13, at 6:00 PM. However, we will hold a special meeting on December 4.

A Message from District Governor Ray

We have 55 Lions Clubs (1819 Members) in our District we're all bonded together by the Lions mission "WE SERVE". So why not get others in our communities to join. Look at the Internationals "Just Ask" membership booklet

<http://www.lionsclubs.org/EN/common/pdfs/me300.pdf>

WE serve our communities, we support our District Projects, and we support our Multiple District's Mass Lions Eye Research Fund and our International Lions Clubs International Foundation programs, so why not have some fun and compete. Earn points for what we do and get recognized for what you have done.

The CEP (Club Excellence Points) Awards Program that I have put together is to encourage club to participate in our Lions Community of District 33 S. Your club is in control of the points that your Club earns. The points are awarded for participation in your Communities, District, State and International programs and projects.

My theme for the year is "Yellow Brick Road the Path of Sight" with the challenge of our District Lions to maintain our Path of Lions causes and focus on other Clubs and the clubs around us as we serve our communities.

Membership is a club issue that we all stumble over each and every day. I know that not one of us or group has the answer to increasing membership in our clubs. But I do believe that we all have the answer to retention of our present members.

Our members are the life of our clubs and they are important to our clubs future. We need to encourage members to become leaders of our clubs and we do this by standing back and for Just One Year supporting them in leading us where ever they see their path of vision for the year. We do this by not criticizing them when things are not done our way or the way we have always done it. We do this by following them down their Path of leadership and entrusting them with our extension for Club growth for just one year. Let us all practice by example the lions Toast of unity" Not Above You- Not Below You-But with You"

This year's International President Barry Palmer Theme is "Follow Your Dream" with a key emphasis on you and your Dream. President Palmer's message is to write down your Dream, carry it with you until you're ready, share it with others and inspire them to work with you to achieve your Dream

Golf Tournament Wrap Up

By Kevin L. Williams

The Easton Lion's Club swung into action Monday September 30th at the Easton Country Club. "Weather was perfect, course was perfect, Mother Nature couldn't have given us a better day" said Kevin Martin Co-Chair of this year's tournament.

Forty golfers took part in the 1pm shotgun start and were treated to a nice chicken BBQ and London Broil buffet. On the putting green we had Henry Mehler, support and logistics were handled by Judy Jackson and Beth Cheney, participant bags and registration was Marilyn Henderson, Cindy Tuck and Sandra Bemis. Number one salesman for the tourney was the Lion's own Dave Zaff, ably assisted by Kevin MacIntyre, Kevin Martin, Kathy Humphrey, Dave Mudd, Bob Davis, Frank Smith and Bill Palmer.

A special thanks to North Easton Savings for being this year's corporate sponsor.

Rockery Clean Up Scheduled Nov. 9

By Matt Soeldner

On Saturday November 9th at 8:00 am, we will be cleaning the areas around the Rockery and Oakes Ames Hall in preparation of setting up for the Holiday Festival. This can be accomplished in a very short period of time if we have the manpower. So, please put aside a few hours and bring a rake or two (I don't have one) and if you have a leafblower please bring that. There will be coffee and donuts along with water.
