

Easton Lions Club 46th Annual Recognition Night

The Easton Lions Club is proud to announce the recipients of Awards of the 46th Annual Recognition Night Program for outstanding citizens of Easton. These prestigious awards honors those whose community service has surpassed expectations. They are nominated by members of the community and vetted by the Lions Club Nominating Committee Chaired by Lion Marilyn Cyr. This year's Award Ceremonies were held at the Easton Country Club on Purchase St. on April 12th.

This year's recipients are:

Outstanding Public Servant, Officer Jeffrey Fuller; Outstanding Youth, Catherine Murphy and Serena Serhan; Humanitarian Award, Dr. Michael Dern; Outstanding Military Service, Arnold Marcus; Educator of the Year, Joyce Greenwald, Outstanding Service, Cindy Lemish.

Special Awards this year were:

The Lifetime Service Award given to Thomas A. Deubler, President of

North Easton Savings Bank who is a staunch supporter of many public service initiatives and activities in Easton, and Stonehill College in Special Recognition of their wonderful support of community activities and especially the support received this year for the Lions Club Annual Auction. In addition, we give special recognition to Stonehill College as a great asset to our community, and as it is to the students and the world served by them. Stonehill's sphere of influence is ever expanding.

The Easton Lions Recognition Night stems from a program started in 1961 by the Easton Chapter of the Jaycees (also known as the Easton Junior Chamber of Commerce). The Jaycees program was called "Easton's Outstanding Young Man" Award Night which honored men between the ages of 21 And 35. The President of the Jaycees at that time was Al Soucia who became a President of the Easton Lions Club. There was no "Recognition Night" held in 1970 and Al Soucia brought the program to the Easton Lions Club in 1971, where

the scope of the honorees was expanded. The Easton Lions are proud to host the Annual Recognition Night – for the past 46 years. It is an honor to provide this service to our service oriented community members who are as "unsung heroes", giving much to us without desire for recognition. The Lions Motto is "We Serve" and we have been serving Easton for 85 years, since 1931.

Congratulations to this year's honorees!

The Easton Lions distribute nomination forms throughout businesses in Easton, and on line at www.eastonlions.org, beginning in March each year. Nominations are made by citizens of Easton who know of those who give exceptional service to our community.

Special Thanks to Lion Marilyn Cyr and all the Lion Members of the Nominating Committee for their excellent work each year which makes this occasion such a wonderfully memorable one. The Program for this event is generously sponsored each year by the North Easton Savings Bank;
